SIR,

I have the honor to forward herewith letter, No.G.594 dated 20/25th May 1911, addressed to Government by the Senior Surgeon together with the enclosed Proposition Statement relating to the revision of the scale of establishment in the District Hospital, Shimoga. The statement has been duly verified in my office. According to the present scale, the pay of the compounder is only Rs.10/- per mensem and not Rs.12/- as entered in the statement. Necessary correction has therefore been made both in the present and the proposed scales. The proposal of the Senior Surgeon is to increase the pay of the cook from Rs.6/- to Rs.10/- resulting in an increase of Rs.4/- per mensem, or Rs.48/- per annum, to the permanent recurring expenditure of the State.

In forwarding here with a proposition statement on behalf of the District Hospital, Shomoga, which entails an additional cost of Rs.4/- by the way of raising the Cook's pay from Rs.6/- to 10/- per mensem, I have the honor to state that the increase recommended is fully justified in view of the fact that Rs.6/- is too meagre a pay for a Cook who has to cook daily for 25 patients on an average. The present man is kept on with the promise of the promotion now recommended, which, I trust, will receive early sanction.
